

## **Job Posting – Adult Education Part-Time Network & Cloud Instructor(s)**

Apollo's Adult Education is seeking to hire part-time Network and Cloud Technologies Instructors to teach from 1 to 4 evenings per week. Preference will be given to candidates with previous industry experience in related fields. Candidate must be eligible for licensure in Adult Workforce Education and possess strong communication skills.

This position will involve teaching some of our currently scheduled classes as well as the opportunity to develop additional offerings. Upcoming classes include, but are not limited to:

### **Intro to MacOS**

March 16 - March 26, 2020  
Monday - Thursday 6-10pm

### **CompTia Linux Essentials**

March 30 - May 21, 2020  
Monday - Thursday 6-10pm

### **Python Certified Entry Level Programmer**

May 26 - July 2, 2020  
Monday - Thursday 6-10pm

### **CompTia A+ Core 1 (220 - 1001)**

July 13 - September 3, 2020  
Monday - Thursday 6-10pm

### **Intro to Computer Hardware (Build Personal PC)**

September 8 - September 17, 2020  
Monday - Thursday 6-10pm

### **CompTia A+ Core 2 (220 - 1002)**

September 21 - November 5, 2020  
Monday - Thursday 6-10pm

### **CompTia Cloud Essentials +**

November 9, 2020 - December 17, 2020  
Monday - Thursday 6-10pm

**Interested candidates should send resume and cover letter to:**
