

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

NOTICE OF PRIVACY PRACTICES
PLEASE NOTE: SEE YOUR TREASURER'S OFFICE FOR THE
COMPLETED VERSION

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy Practices ("Notice") applies to Protected Health Information (defined below) associated with Group Health Plans (defined below) provided by Apollo Career Center to its employees, its employee's dependents and, as applicable, retired employees. This Notice describes how Apollo Career Center, collectively we may use and disclose Protected Health Information to carry out payment and health care operations, and for other purposes that are permitted or required by law.

We are required by the privacy regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") to maintain the privacy of Protected Health Information and to provide individuals covered under our group health plan with notice of our legal duties and privacy practices concerning Protected Health Information. We are required to abide by the terms of this Notice so long as it remains in effect. We reserve the right to change the terms of this Notice of Privacy Practices as necessary and to make the new Notice effective for all Protected Health Information maintained by us. If we make material changes to our privacy practices, copies of revised notices will be mailed to all policyholders then covered by the Group Health Plan. Copies of our current Notice may be obtained by contacting Maria Rellinger at the telephone number or address below, or on our Web site at <https://acshp.benefithub.com/>.

DEFINITIONS

Group Health Plan means, for purposes of this Notice, the following employee benefits that we provide to our employees, employee dependents and, as applicable, retired employees: major medical coverage, dental coverage, vision coverage, and prescription drug coverage.

Protected Health Information ("PHI") means individually identifiable health information, as defined by HIPAA, that is created or received by us and that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or for which there is a reasonable basis to believe the information can be used to identify the individual. PHI includes information of persons living or deceased.

USES AND DISCLOSURES OF YOUR PROTECTED HEALTH INFORMATION

The following categories describe different ways that we use and disclose PHI. For each category of uses and disclosures we will explain what we mean and, where appropriate, provide examples for illustrative purposes. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted or required to use and disclose PHI will fall within one of the categories.

Your Authorization – Except as outlined below, we will not use or disclose your PHI unless you have signed a form authorizing the use or disclosure. You have the right to revoke that authorization in writing except to the extent that we have taken action in reliance upon the authorization or that the authorization was obtained as a condition of obtaining coverage under the group health plan, and we have the right, under other law, to contest a claim under the coverage or the coverage itself.

Uses and Disclosures for Payment – We may make requests, uses, and disclosures of your PHI as necessary for payment purposes. For example, we may use information regarding your medical procedures and treatment to process and pay claims. We may also disclose your PHI for the payment purposes of a health care provider or a health plan.

Uses and Disclosures for Health Care Operations – We may use and disclose your PHI as necessary for our health care operations. Examples of health care operations include activities relating to the creation, renewal, or replacement of your Group Health Plan coverage, reinsurance, compliance, auditing, rating, business management, quality improvement and assurance, and other functions related to your Group Health Plan.

Family and Friends Involved in Your Care – If you are available and do not object, we may disclose your PHI to your family, friends, and others who are involved in your care or payment of a claim. If you are unavailable or incapacitated and we determine that a limited disclosure is in your best interest, we may share limited PHI with such individuals. For example, we may use our professional judgment to disclose PHI to your spouse concerning the processing of a claim.

Business Associates – At times we use outside persons or organizations to help us provide you with the benefits of your Group Health Plan. Examples of these outside persons and organizations might include vendors that help us process your claims. At times it may be necessary for us to provide certain of your PHI to one or more of these outside persons or organizations.

Other Products and Services – We may contact you to provide information about other health-related products and services that may be of interest to you. For example, we may use and disclose your PHI for the purpose of communicating to you about our health insurance products that could enhance or substitute for existing Group Health Plan coverage, and about health-related products and services that may add value to your Group Health Plan.

Other Uses and Disclosures – We may make certain other uses and disclosures of your PHI without your authorization.

- We may use or disclose your PHI for any purpose required by law. For example, we may be required by law to use or disclose your PHI to respond to a court order.
- We may disclose your PHI for public health activities, such as reporting of disease, injury, birth and death, and for public health investigations

- We may disclose your PHI to coroners, medical examiners, and/or funeral directors consistent with law.
- We may use or disclose your PHI for cadaveric organ, eye or tissue donation.
- We may use or disclose your PHI for research purposes, but only as permitted by law.
- We may use or disclose PHI to avert a serious threat to health or safety.
- We may use or disclose your PHI if you are a member of the military as required by armed forces services, and we may also disclose your PHI for other specialized government functions such as national security or intelligence activities.
- We may disclose your PHI to workers' compensation agencies for your workers' compensation benefit determination.
- We will, if required by law, release your PHI to the Secretary of the Department of Health and Human Services for enforcement of HIPAA.

In the event that applicable law, other than HIPAA, prohibits or materially limits our uses and disclosures of Protected Health Information, as described above, we will restrict our uses or disclosure of your Protected Health Information in accordance with the more stringent standard.

RIGHTS THAT YOU HAVE

Access to Your PHI – You have the right of access to copy and/or inspect your PHI that we maintain in designated record sets. Certain requests for access to your PHI must be in writing, must state that you want access to your PHI and must be signed by you or your representative (e.g., requests for medical records provided to us directly from your health care provider). Examples of disclosures that we are required to account for include those to state insurance departments, pursuant to valid legal process, or for law enforcement purposes. To be considered, your accounting requests must be in writing and signed by you or your representative. Accounting request forms are available from us at the address below. The first accounting in any 12-month period is free; however, we may charge you a fee for each subsequent accounting you request within the same 12-month period.

Restrictions on Use and Disclosure of Your PHI – You have the right to request restrictions on certain of our uses and disclosures of your PHI for insurance payment or health care operations, disclosures made to persons involved in your care, and disclosures for disaster relief purposes. For example, you may request that we not disclose your PHI to your spouse. Your request must describe in detail the restriction you are requesting. We are not required to agree to your request but will attempt to accommodate reasonable requests when appropriate. We retain the right to terminate an agreed-to restriction if we believe such termination is appropriate. In the event of a termination by us, we will notify you of such termination. You also have the right to terminate, in writing or orally, any agreed-to restriction. You may make a request for a restriction (or termination of an existing restriction) by contacting us at the telephone number or address below.

Request for Confidential Communications – You have the right to request that communications regarding your PHI be made by alternative means or at alternative locations. For example, you may request that messages not be left on voice mail or sent to a particular address. We are required to accommodate reasonable requests if you inform us that disclosure of all or part of your information could place you in danger. New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact _____

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Apollo Joint Vocational School District		4. Employer Identification Number (EIN) 34-1126813	
5. Employer address 3325 Shawnee Rd.		6. Employer phone number 419-998-2912	
7. City Lima		8. State OH	9. ZIP code 45806
10. Who can we contact about employee health coverage at this job? Maria Rellinger			
11. Phone number (if different from above)		12. Email address maria.rellinger@apollocc.org	

Here is some basic information about health coverage offered by this employer:

•As your employer, we offer a health plan to:

All employees. Eligible employees are:

Some employees. Eligible employees are:

•With respect to dependents:

We do offer coverage. Eligible dependents are:

-the subscriber's legal spouse; the subscriber's or the subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children; also children determined to be covered by a QMCSO; also children for whom the subscriber or subscriber's spouse is a legal guardian

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
