

The Criminal Justice program will introduce students to preliminary knowledge and skills necessary for a career in the criminal justice field. Through a combination of learning techniques, students will be introduced to the American Criminal Justice system gain an understanding of what happens from the time a crime is committed, the police response, investigation, adjudication in the courts, and the correctional and probation system. In addition to physical training in preparation to pass Ohio Police Officers Training Certification standards, this program will emphasize leadership and ethics, with the ultimate goal of building excellent candidates for careers in policing, corrections, and military.

SKILLS LEARNED:

Police Report Writing
 Accident Investigation
 Evidence collection and crime scene processing
 Prisoner booking & handling
 Vehicle and pedestrian stops
 Building search
 Handcuffing
 Preparation for Ohio police physical testing
 Ethics and professionalism
 Fingerprinting
 Emergency dispatching
